## Equip. Inventory Checklist (PLDC) NOTES

- 1. Female soldiers need only one belt.
- 2. IAW AR 670-1, jungle boots are not authorized to be worn in formation when uniformity is required. Jungle boots will not be worn for Land Navigation and the STX during winter months. Jungle boots are not a substitute for black leather boots. Black leather boots must be IAW AR 670-1. Tanker and Hi-tech boots are not authorized. Soldiers deployed to the Desert may substitute the brown combat boot.
- 3. Accessories include cotton inserts for chemical protective gloves. Green overshoes replaced chemical protective overshoes.
- 4. Bring frame, all straps and belts required for use with the rucksack (ALICE pack).
- 5. To prevent embarrassing situations after duty hours, soldiers are required to be appropriately attired (not just undergarments) when walking down hallways and walking to and from showers, latrines and washrooms.
- 6. Personnel that are currently on jump status are exempt from bringing (item # 84), shoes oxford black. They will wear black combat boots, females will still bring oxfords or pumps to wear with the skirt.
- 7. Personnel who are on medication need to bring enough medication to last the duration of the cycle. This is to include allergy medications and bee sting kits.
- 8. Gortex modular sleeping must be complete.
- 9. Deployed soldiers may substitute DCUs for BDUs, but must have 4 duty uniforms.
- 10. Soldiers still missing items after 72 hours will not be eligible for Honors.
- 11. Part I of the Pre-Execution Checklist must reflect that the soldier has all appropriate clothing and equipment. The 7<sup>th</sup> Army NCO academy will only issue missing items under the following circumstances:
  - (a) Coordination is made with the Commandant BEFORE the student arrives at PLDC.
- (b) The soldier presents a memorandum listing the missing items and the reason why the unit could not obtain the items.
- (c) The above memorandum is signed by the first LTC in the soldier's Chain of Command. It is the responsibility of the unit to correct all equipment shortages within the first week of PLDC. Soldiers still missing items after 72 hours *will not* be allowed to compete for honors.
- (d) Deployed soldiers <u>need not</u> have a memorandum if deployment precludes them from having necessary items from the packing list, i.e. Class A uniform.
